**Dear Memphis in May World Championship Barbeque Cooking Team members,**

**It is with great appreciation to the Memphis in May Committee that PODS extends to you this special offer:**

**Memphis in May has agreed to allow each competing barbeque team to have a PODS brand storage container located on each designated teams booth area for storage of your needed supplies. The pod will measure 8'x 8' x 12' in size and have a standard 8' roll up door at one end with a lockable latch. The container is weather resistant and has an iridescent roof making it easy to see in, even at night. PODS' is offering the special price of \$75.00 for the week plus a one time delivery fee of \$49.00 making the total price \$135.47. There will be no final pickup fee, we only require that the pod be cleaned out when you are finished using it. We are not allowed to transport any trash from your booth in the container.**

**Kevin Sharp with PODS will contact you to create an account for your team the first week in May. Orders can only be placed with a credit card and will have to be paid for when the account is established. Please return the following information to the above address or email to podsofmemphis@bellsouth.net no later than April 15, 2010, but preferably as soon as possible to reserve your pod.**
