AS A PROUD MEMPHIAN, YOU CAN HELP US.

Memphis in May International Festival has set the standard for cultural events in our city for the last 45 years and has been a source of pride for generations of Memphians. We always tell visitors that May is the best time to visit because of Memphis in May. Memphis in May is not automatic but is the mission of a community-based not-for-profit organization that's an industry leader. Memphis in May is the pinnacle of Memphis pride and as a proud Memphian we invite you to take part in the celebration.

COMING BACK BIG IN 2022

The impact from the recent pandemic which forced the previously unthinkable cancelation of festival events demonstrated the importance of our city-wide celebration as it was deeply missed by fans in Memphis and everywhere. We recognized that the citizens and city of Memphis needed a return of the annual celebration, if it could be safely presented, not just to meet our mission but also to bolster the city's morale. Last year we presented the World Championship Barbecue Cooking Contest which was one of the largest national events at that time along with a record-setting Great American River Run. It was no small task, but it was the right thing to do.

Now we're focusing on bringing Memphis in May back full scale and bigger than ever with a world class salute to Ghana, all the attractions, artists, sights, smells and tastes that makes May in Memphis so great. You take pride in this city and join other Memphians making Memphis a better place to live. We need your help to show the world that Memphis is bouncing back even stronger than before.

SHOW YOUR CIVIC PRIDE

and help us share our culture with the world.

For the last 45 years Memphians have supported our mission, and this year more than ever, we ask that you show your civic pride and help us share our culture with the world. We are proud of what Memphis becomes in May, and with your help, can come back big and show the world we're back, and we're strong, in one big, wonderful, festival that takes the whole month of May to do it right!
